EDUCATION CREDITS FAQ

We are providing contact hours for (4) of the Journey Series sessions with support of Bradford Health Services, at no charge to you. Sessions eligible for continuing education credits are as follows:

- Role of Health Professionals in Addiction & Treatment, Sept. 10 at 2:30 PM CT
- State of Addiction: The Opioid Epidemic & the Crisis in Alabama, Sept. 17 at 2:30 PM CT
- Role of Law Enforcement in Addiction & Treatment, Sept. 24 at 2:30 PM CT
- Addiction 101: Brain Science of Addiction, Oct. 8 at 2:30 PM CT

After the conclusion of each eligible session, you will be sent an email with a link to an evaluation you must complete in order to receive credit for your participation. Certificates will be sent via email to those who complete the evaluation within one week. Your patience is appreciated!

Also included in the email:

- A link to the session slides (if the presenter agrees)
- A link to a video recording of the session presentation

You will be viewing this in webinar format, which means that you can see the presenters, but your video and audio are off. Please use the Q & A or Chat function to ask questions of the presenter. The Emcee will ask the presenter questions at the end of the talk.
